Dear Parents/Carers and Pupils

### **Nepal Earthquake Disaster Relief**

I know that you will have all seen and read about the Earthquake in Nepal, which has had a devastating effect on the country. Brecon has a very strong link with the Nepalese community and we are keen to help in contributing to the support and aid that is needed.

Having been contacted by the local Nepalese Youth Group and students in the school, there is an immediate need for clothing and tinned foods/bottled water to be sent out as soon as possible.

I am writing to ask if donations of these items, could be brought into school prior to Wednesday afternoon when they will be collected, as all of the local collections are going to be transported to London for shipping on Thursday of this week.

In addition to the immediate aid that is being sought, we also want to help to raise funds for the longer term help that is going to be needed. The school will hold a non-uniform day for students to be held this Friday 1 May, participation in this will cost £1.

Can I thank you in advance for any donations you can make to this appeal, which can be brought to main reception. The timescale is short, so please could you make sure any donations arrive in school by Wednesday midday, as they are going to be collected that afternoon.

Thank you
