

Adding and using Parent Account Credit

You can choose to maintain a balance in your **Parent Account**. This will help with budgeting and mean that you can make faster payments for school items.

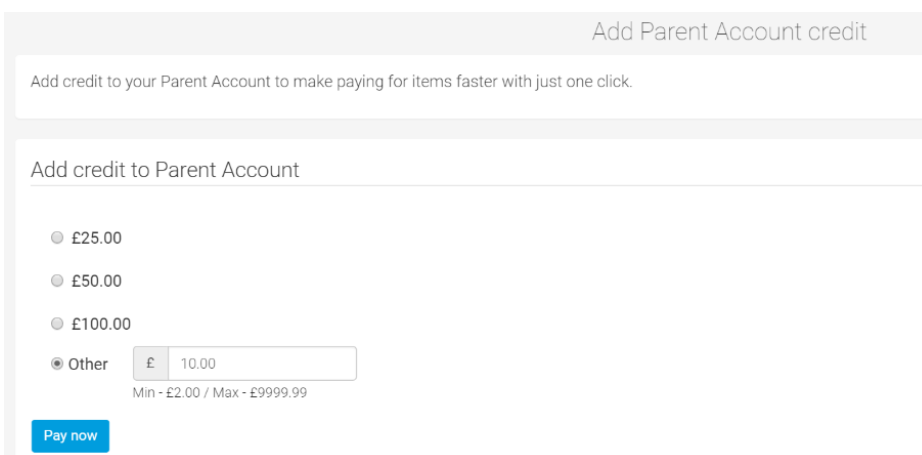

Topping up your Parent Account:

1. Navigate to www.parentpay.com and log in to your account.
2. Select **Add Parent Account credit**

The screenshot shows the ParentPay dashboard for Mrs Shelley (supporttest110@parentpay.com). The dashboard displays a grid of child profiles: Ethan (£65.00), Ellie (£10.00), Cara (£242.00), and Bella (£35.20). Each profile has buttons for 'Make bookings' and 'Pay for other items'. At the bottom of the dashboard, there is a 'View all items' button and a red-bordered button labeled 'Add Parent Account credit'.

3. Choose a set amount to top up or enter an amount manually in the 'Other amount' box

The screenshot shows the 'Add Parent Account credit' form. It includes a heading 'Add Parent Account credit' and a sub-heading 'Add credit to Parent Account'. Below this, there are radio button options for preset amounts: £25.00, £50.00, £100.00, and 'Other'. The 'Other' option is selected, and a text input field contains '10.00'. Below the input field, it says 'Min - £2.00 / Max - £9999.99'. A blue 'Pay now' button is at the bottom left.

4. Select **Pay Now**

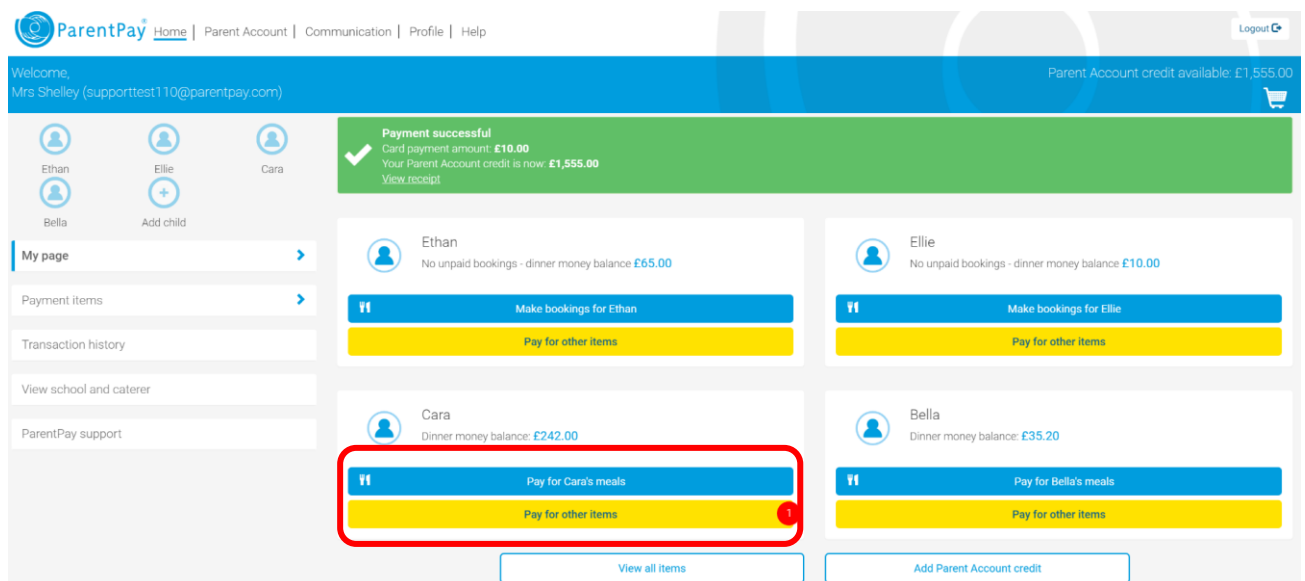

- If you have a stored card(s) on your account you may select and pay with this card, entering only the Security code/CVV and selecting **Review Payment**
- If you have no stored cards, or you wish to use a card not currently saved on your account, select **Edit card / Use different card**. You can now enter your card details into the secure payment page. Select **Review Payment** and then **Make Payment** to complete the top up process.

If you do not wish to make a payment for an item at this stage but simply want to leave credit on your account, you can simply return to the home page or log out.

Making a payment using your Parent Account balance:

- From your homepage, you can either use a quick meal payment link (where available) or you can select 'Pay for other items' for the child whom you wish to make a payment for.

Selecting to pay for a meal item will take you immediately to the payment pop up for that item. Please enter the amount and then **Pay by Parent Account**
