Dear Parents/Carers

Welsh Medium Consultation

Please find on the reverse of this letter, a copy of a letter received from Powys County Council, announcing the expected launch date for the next Welsh Medium Consultation regarding the continuation of the Welsh Medium stream at Brecon High School. As you will see there is a public meeting for parents and members of the community on 1 December, 2016.

At present we have not received any additional documentation in relation to this consultation, so you should check Powys County Council website for further information. We will, of course share any further information, as we receive it. There is information available within the previous consultation report, which will be of use. This is available on the Powys website.

Can I please encourage as many parents as possible to attend the public meeting and respond to the consultation.

Yours sincerely
