Pre-study/ Preview Activities	Duration	Post-study/ Consolidation Activities	Duration
Core subjects (Two tasks per half term for English, Maths and Welsh). Three tasks per half term for Science (with Triple Science extending the task duration).	Up to 10 minutes per task	Core subjects (Two tasks per half term for English, Maths and Welsh). Three tasks per half term for Science (with Triple Science extending the task duration).	Up to 1 hour per task
Non-core subjects (One task per half term).	Up to 10 minutes per task	Non-core subjects (One task per half term).	Up to 1 hour per task

Blended Learning is a style of education in which students learn via electronic and online media as well as traditional face-to-face teaching. Learners can, in part, control the time, pace, and place of their **learning**.

Combining international research, learning from collaborative partnerships with organisations such as Impact Wales, as well as a range of internal review and feedback from parents and teaching staff, Brecon High School has developed a Blended Learning Policy in response to the Covid-19 pandemic and will use this as an opportunity to:

- Explore meaningful and interesting ways to deliver consistently good pedagogy using a range of strategies and technologies
- Focus upon the concept of creating pupils that are 'Learning Fit', being able to develop resilience in order to adjust to new learning scenarios at short notice and apply their skills to these changeable situations
- Ensure that pupils come to school prepared to learn by completing pre-learning tasks and then solidify this learning through consolidatory activities
- Provide on-line tutoring support to all pupils to ensure that the link between home and school remains consistently strong
- Ensure that pupils efforts and the quality of their work is rewarded via the use of Class Charts and that parents/carers are kept informed about pupil progress as often as possible

Blended Learning (pre-study and post-study tasks) will be our **alternative** to **traditional homework**, regardless of how soon our world returns to normality.

Year 11 English - Half Term 2		
Pre-study/Preview activities:		Tick when complete ✓
Activity	<p>Task 1: What do you know about video gaming? A. Create a mind map of your knowledge, experience and feelings about gaming. B.
